

Kirklees Inclusive Employment Network Session

Date: Thursday 19th March

Time: 9am - 11am

Venue: Cedar Court Hotel, Huddersfield

Are you a business that needs advice and guidance on how best to recruit or support an employee with a disability or health condition?

Come along to our first Inclusive Employment Network meeting to connect with organisations who can support you, learn practical tips on how to recruit more inclusively, and meet other employers to share experience and knowledge.

We will also be asking for suggestions about how the Network can support you and how we can work together in the future.
