### What's It All About?

Slaithwaite Duck Race began in 2020 as a Scouts fundraising event. With the pandemic in full swing, the first race was held virtually – but the community spirit was so strong that it spurred us on to get the ducks down to the water in 2022 and again in 2024.

Funds raised have:

- Supported local young people with subsidised local and international camps
- Funded full-group trips
- Helped replace essential Scout equipment
- Enabled donations to charities including **Ruddi's Retreat, Slaithwaite Moonraking Festival, Colne Valley Help**, other **UK Scout Groups** and **The Firefighters Charity**

Your support helps create unforgettable experiences for local children and strengthens our community.
